THE ROYAL CHILDREN'S HOSPITAL PRECINCT

Melbourne Paediatric Specialists' new private practice facilities form part of the new commercial precinct adjacent to the Royal Children's Hospital on **48 Flemington Road** - this is also home to the Art Series Hotel, **The Larwill Studio**.

BUILDING ENTRANCE

Access to Melbourne Paediatric Specialists is via the main entrance to 48 Flemington Road which is also shared with **The Larwill Studio Hotel** in the building **NEXT** to the Royal Children's Hospital (RCH).

If travelling **East** along Flemington Road (toward the city), the main entrance for our building will be on your left and is **AFTER ENTRY 3**, past the main hospital entrance to RCH.

If travelling **West** along Flemington Road (away from the city) the main entrance for our building will be on your right and is directly after the large blue parking sign for **Entry 4**, **BEFORE** the main RCH building and hospital entrance.

Turn right immediately on entering the building to use the **lifts** on the right side of the entrance on the Ground Level (G) which will take you to **Level 4**.

Alternatively, walk up one short flight of stairs into the hotel lobby area on the Upper Ground Level (UG)

- **turn right** after the steps to access the **lifts** to **Level 4**.

Once on **Level 4**, exit from the lifts and turn right

- our rooms (Suite 4.3) are located toward the end of the hallway with our main doors on the left.

PAID PARKING

Undercover secure parking is available on site via **ENTRY 4** and is charged at a per hour rate with a daily maximum of \$34 per exit. Please note: the first hour (or part thereof) is \$12.

STREET PARKING - TICKETED

There is a limited number of ticketed 3 hour car parks available on Flemington Road in-front of and along from 48 Flemington Road toward Gatehouse Street. One hour parking only is available on Flemington Road on the opposite side to our building. Look for two hour car parking further along on Flemington Road past the Royal Children's Hospital and in the neighbouring area surrounding Royal Park and streets such as Gatehouse Street, Chapman Street etc.

Please allow additional time prior to your booked appointment to accommodate parking your car and a short walk to our rooms.

PUBLIC TRANSPORT - TRAMS

Trams 59 and **55** run along Flemington Road and stop outside the main entrance to the Royal Children's Hospital at **Stop 19**, Flemington Road.

Tram 57 running along Abbotsford Street stops close to the intersection of Abbotsford Street and Flemington Road - allow a short walk 3 mins to the entrance of RCH.
